COACHES INFO

How-to Guide (including score entry)

The How-to Guide is designed to help you with:

- Viewing schedule information
- Entering the game score after the game
- Viewing (and changing) team contact information
- Obtaining field locations and directions

RBJSL Coach Evaluation of Game Officials

If you have comments (good or bad) regarding the officiating in your game, you may complete the following document and send it to RBJSL for review. *Please do not confront the game officials before, during or after the game -- we want our referees to improve, we don't want them to quit!*

Info

Coach's Pre-Game Checklist

Monday/Tuesday

- Contact opposing coach. Confirm game time, get directions to the field and confirm uniform colors. If colors are the same, the Home team changes.
- Home coach, please communicate field directions, where to park, etc.

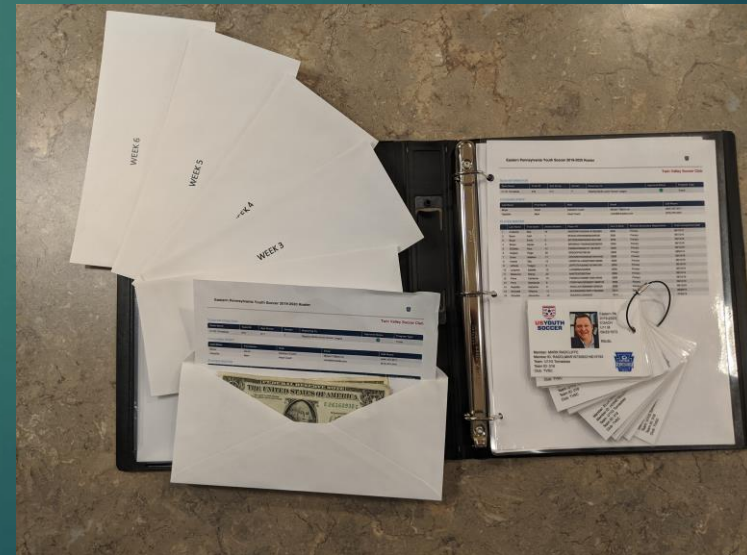

Wednesday/Thursday

- Make team and parents aware of game time and location. Use RBJSL web site for maps and addresses.

Coach's Pre-Game Checklist

Game Day – Before you leave the house

- Have 2 copies of your official roster completed with players' names and uniform #'s.
- Each coach pays 1/2 Referee fee in Cash before the game.

Coach's Pre-Game Checklist

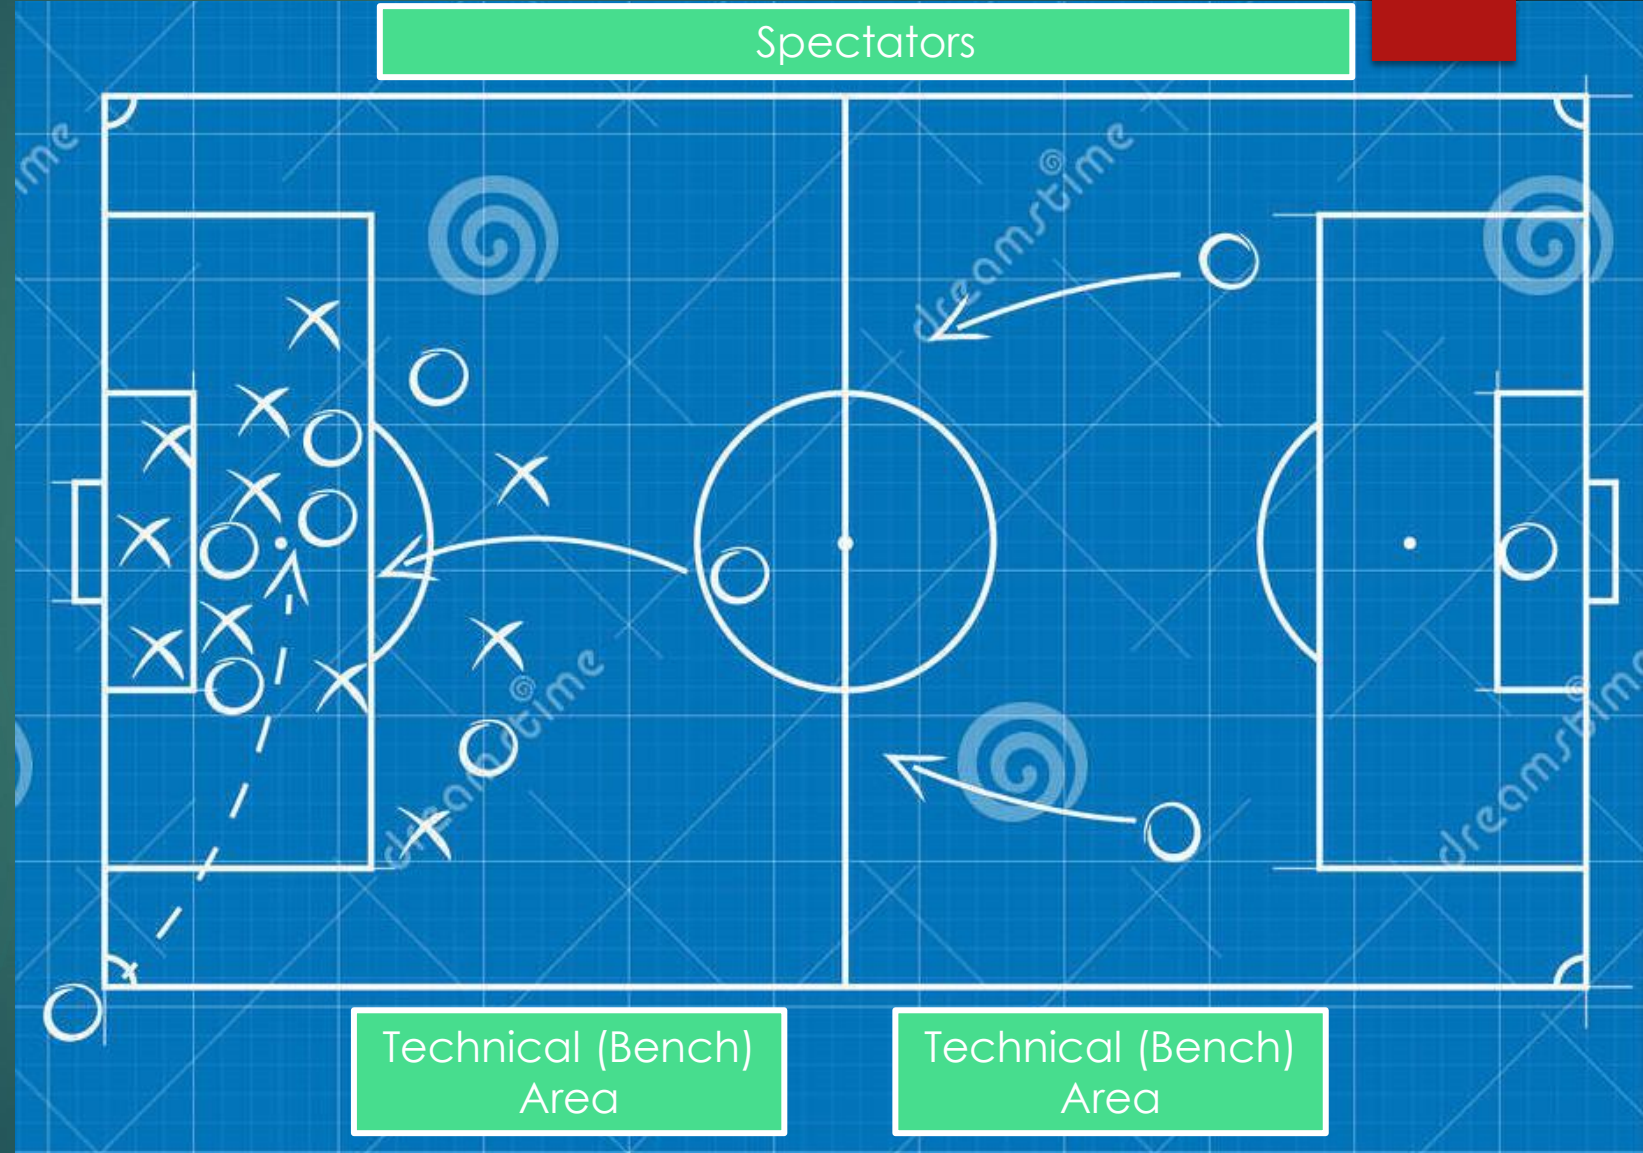

Game Day – At the Field

- Arrive 30 —45 minutes before game time.
- Home coach check the field for corner flags, nets are fastened to goals, holes are patched, and goals are properly anchored.
- Have rosters and ref fee available to present to the Referee.
- Each team is to provide 1 linesperson to assist the Referee in calling out of bounds (if requested by Ref).
- Home team provides game ball(s).
- Make sure your Keeper shirt is a different color from both team colors.
- Uniform color conflict; Home Team Changes

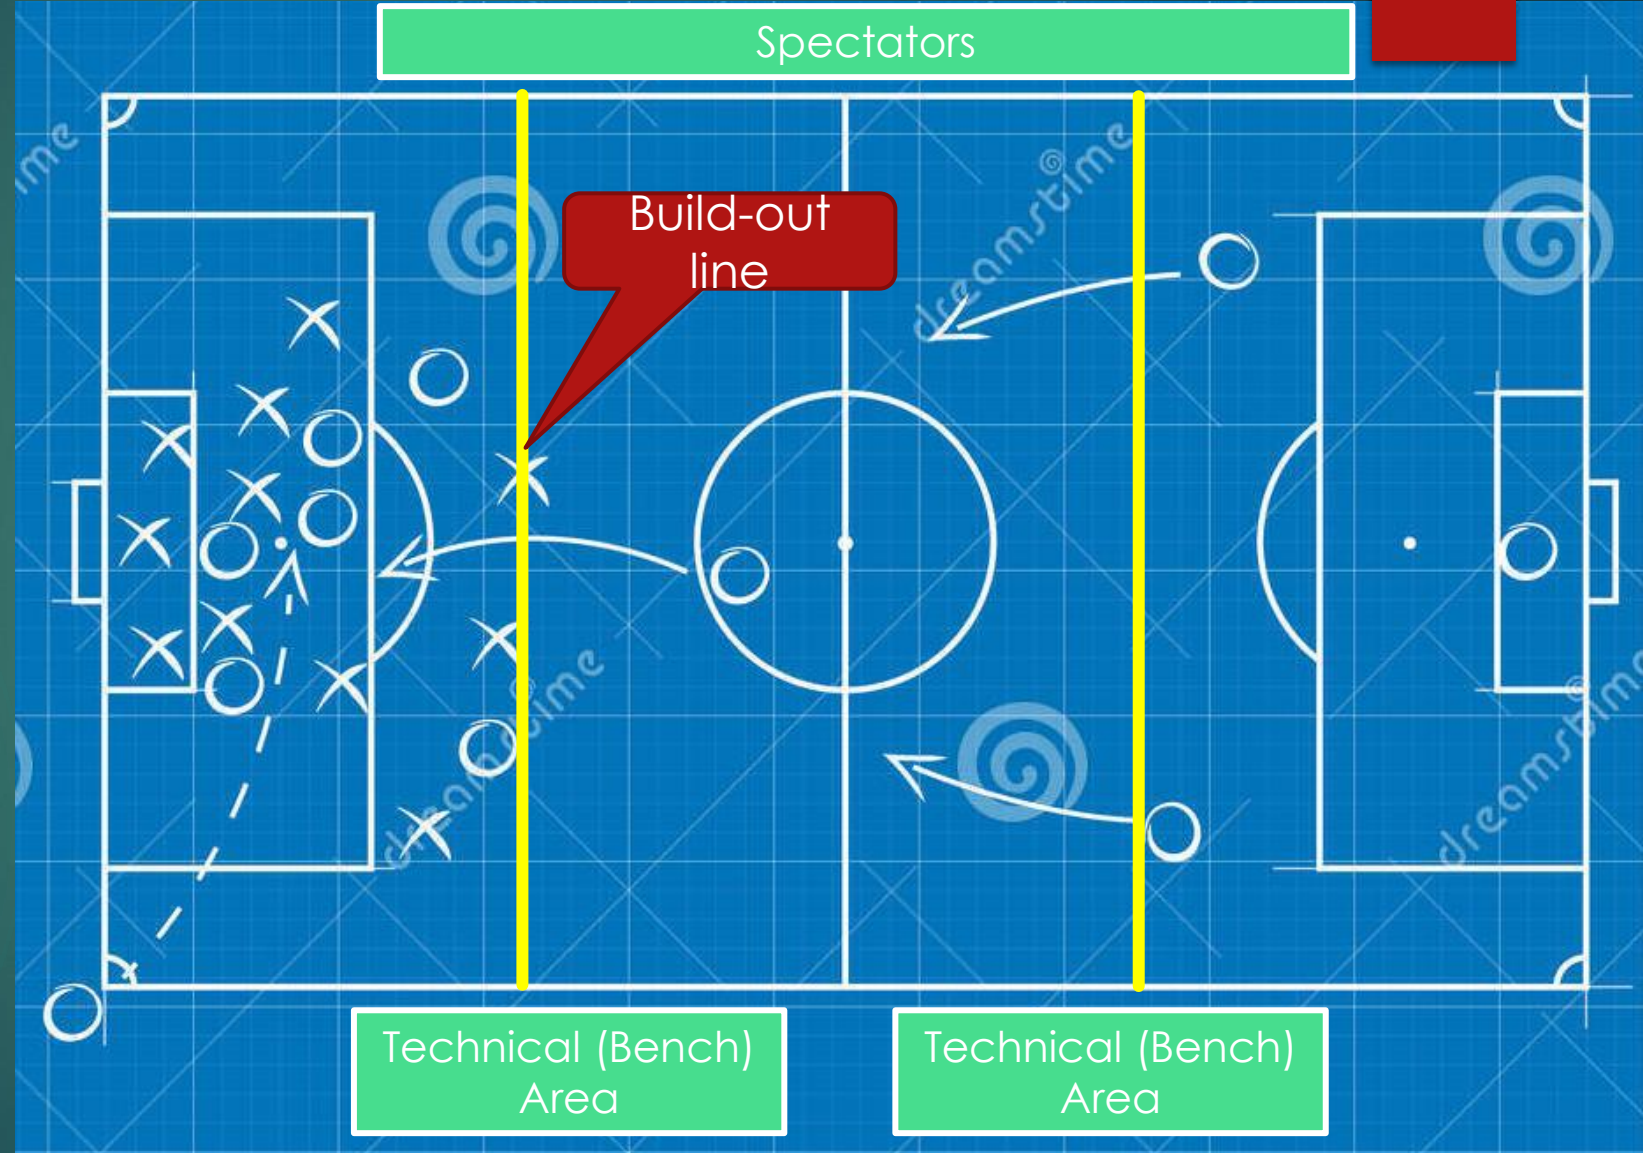

During the Game

- Only rostered players and coaches in the technical area (player safety issue)
- 3 Coaches (max) in Technical area
- Substitutions can happen at ANY stoppage by either team.
- Players enter and leave from the midfield line on acknowledgement by the referee

U9 & U10 Specific Rules

- Attacking team retreats behind the build-out line on goalkeeper saves & goal kicks
- No punting (a drop kick is a punt)
- No heading (not allowed until U12)

~~Parent, Fan~~ ADULT Conduct at games!

- Team conduct is the responsibility of the club
- Game-day fan conduct is the responsibility of the Coach
- It is the expectation that all RBJSL member clubs will address this behavior by dealing directly with the Adults involved
- Have the discussion with your parents and coaching staff BEFORE there is a problem
- RBJSL can only sanction teams, which will do if clubs do not act

We Expect that ALL RBJSL Coaches and Spectators will...

1. Always demonstrate proper conduct and sportsmanship towards opposition and Referee
2. Do everything possible to de-escalate situations
3. Understand that at some point Ref WILL mess up a call and cost you a win! (That doesn't change number one)
4. Understand coaches exist in youth sports to teach skills, not win games.
5. Take responsibility for your players' conduct
6. Take responsibility for your fans' conduct
7. Take responsibility for your conduct

Referees are leaving the game in record numbers, citing parent and coach conduct as the reason

If you have an issue with a ref's knowledge or actions file a game report (RBJSL website)

Have a plan for when a Ref is not available

[HOME](#) > [CAREERS](#)

I'm a kids' soccer referee who's been threatened with violence by angry parents and coaches. It's easy to see why there's a national shortage of officials.

Score Differential & Lopsided Games

If you encounter an opponent that is struggling...
...a 5-goal victory is enough!

Find ways to make the game valuable for BOTH teams...

Team in the lead focuses on skill development, not on scoring...yes, that means **STOP SCORING GOALS**...and it applies to ALL age groups!

Our goal is to grow the game – to keep kids playing! Being on the wrong end of blowouts can discourage kids from sticking with it

Score Differential & Lopsided Games

Our league is monitoring the weekly results:

Games with a margin of victory of greater than 5 goals or games with double digit scores will be flagged for review by the league.

Teams that show a pattern of lopsided wins will be treated the same way as a team that wins a supermajority of their games...

...these teams WILL be moved up to the next higher tier and/or age group the following season!

NOTE: RBJSL will continue to post the actual game scores for awareness of all teams in the tier/division

**From this moment onward-"I didn't know"
is not an excuse!**

After the Game

- Congratulate the opposing team and thank the Referee.
- Keep your post game talk short and positive. This is not the time to discuss mistakes observed during the game.
- Report the score at RBJSL.org
- If any comments are warranted, good or bad, about the refereeing, complete a referee evaluation form and send it to RBJSL. Do not confront the Referee about a call you disagreed with. I suggest sending a copy to your club officers.
- If no referee showed up for the game, report this to your club/league.

Covid

- Coach/Player Sick - Stay Home
- No Longer Contact Tracing
- No prescriptive Quarantine, to many permutations (See point 1)
- If something changes Clubs and Teams should follow current Pa Dept of Health/CDC Guidelines
- If you can't field a Team let us know and we will work with you to reschedule
