PRESIDENT(Adam Smeltz): Fees for 2023/2024 will dramatically increase from EPYSA. Full club boards are required to have clearances and trainings. Refs are being told if there is an unruly parent they must address with the coach. It is then up to the coach to identify the offender and if they do not then teams will be prevented from playing any games until the offender is identified. Inclusivity rules from EPYSA, gender that the player is identified as on birth certificate is the gender that the player may play unless it is accompanied by a document from an appropriate healthcare professional. This will start with the spring season. We had approximately 1100 games with a 95% referee coverage rate. AJ has missed too many consecutive meetings and no longer has Board voting rights.

TREASURER(Cory Reader): SEE FINANCIAL REPORT PRESENTED All playoff bills have been paid.
Cory will get the spring fee posted.
